PRAYER POINTS

- **Pray** for those who we have been **sharing the gospel** with but have not yet believed. We are encouraged that God continues to have them in our lives and we are pleading with the Lord to **open their hearts** to see their need for Jesus.
- **Pray** that **our lives** are a **witness and demonstration** to the gospel. Along with the words of truth, we desire for our lives to be an unexplainable picture of God's redemptive love among His people.
- **Pray** for **wisdom and willing vessels** both from our gathering and beyond that would consider going to the next places here in Thailand where God is connecting us to groups of unbelievers who need to hear of Jesus and His merciful grace.
- **Pray** for God to make a clear path for **our long-term Visa** status. We still have not secured a work permit and Visa allowing our family to be here long-term, but trust God will provide according to His will for us.

Greetings from Thailand!

We trust you all are finding much joy in the Lord, during this holiday season. We have been here for a month and a half already but it seems like so much time has passed. Our days are usually very busy here. We have been extremely thankful for God's grace and faithfulness to our family. Each day provides an exciting new adventure. We are settling in to a new routine in our own home now, after living in one home, as a group of 15 people, for the first few weeks. We are encouraged by the work God continues to do especially among the Myanmar people here in Thailand. We have been invited to and attended a number of Myanmar functions as well as had opportunities to share the gospel with those who have never heard about Jesus in their lifetime. Doors to share with potentially hundreds if not more have already begun to swing open for us. As we sing in *Facing a Task Unfinished*, "With none to heed their crying, for life and love and light, unnumbered souls are dying and pass into the night..." Brothers and sisters, we are sent. Go therefore and make disciples of all nations!

PRAYER POINTS

- **Pray** we would **not** attempt to do anything in **our strength** but continually and wholly trust in the Lord to establish the work of our hands (Psalm 90:17).
- **Pray** over considering **visiting us** here in this part of the world to see what God is doing.
- **Pray** for **my work situation in the US**. Things among our team are going well, allowing us to be here, but much work is projected on the near horizon. We are praying God provides the needed skilled tradesman to complete the work without requiring me to leave Thailand to assist.
- **Pray** for both our **girls' eye pressure** to drop and remain low. Emily's pressure has been reading high as of late. We are asking God to heal her and allow the pressures to lower.
- **Prayerfully consider financially supporting us** in advancing God's kingdom here in Thailand!

Personal Update.

~We miss you all and pray you are finding many opportunities to proclaim the gospel of Jesus Christ and live for His glory. We are overly joyed by the amazing work that God has done in Jordyn's life! She professed faith in Christ 3 weeks ago. We can clearly see the change in her and the outworking of her new faith in Christ in her life. Her desires have been made new, we can see, God has given her a new heart. May we see our calling as believers to be His witnesses in both word and deed in greater ways each day.

~We are still on a tourist visa which means we will need to leave the country in January for a short time before we re-enter. Please continue to pray God would provide for a different Visa option.

~Finally, we greatly appreciate the prayer and financial support that we have received thus far. We want you to know your donations go 100% to the work of the ministry here. If you would like to donate to us you can do so through our website.
